To Whom It May Concern
Reference: Tania Shenstone

Dear Sir / Madam,

Earlier this year I supervised a film shoot conducted by my students. It was a short film titled THE LONG WAIT and featured Tania Shenstone.

I had the opportunity to observe Tania at work and found her very dedicated. The shoot lasted some five hours, concluding after midnight. Tania was most patient and flexible, working with the first-time director. She was very supportive and open to his instruction, happy to shoot an extended number of takes and delivered a convincing performance.

The student was delighted with the filmmaking process and this has a lot to do with Tania's involvement. She takes acting seriously and was a pleasure to have around.

Best regards,

Andrew Burleigh Smith
